

SUMMER 2027 INSTITUTE • CHICAGO

CREATE the Conditions for Learning

A 4-day institute in July or August 2027

The whole system, in 4 days, with Dr. Stephanie Helfand, Founder and Creator of **The Learning Framework®**. For educators, leaders, specialists, coaches, and anyone who supports a learner.

What you will learn

- **The Five Conditions for Learning**, the conditions every brain needs in order to learn
- How to **CREATE** those conditions in teaching and support for the learners you serve
- What to expect from the brain at every age, from birth to 26
- How to bring one common language back to your school, practice, or family
